This Week's SNEAK PEEK

Crystal Weary
Autism Acceptance Center

Crystal Weary will join us to speak about autism and the many services offered at the Autism Acceptance Center. With studies estimating 1 in 45 adults living with autism, the center focuses on increasing the independence and improving the overall quality of life for individuals. They also strive to increase the awareness and community acceptance of those on the autism spectrum.

Holiday Noteable

Shout out to the Rotarians that served at Amazing Love December 29.
