Helping where it's needed most

New Life Warehouse

We kicked off the year with our first delivery. This wonderful family was so thankful for the support in getting their new home set up.

Heading to Honduras

This week, a group of our Rotarians will travel to Honduras to serve alongside others with Honduras Compassion Partners. They'll spend the week building homes and relationships in the community—listening, encouraging, and sharing hope. We are proud of their commitment to service and wish them safe travels. We look forward to learning about your experience.
