Rotary Spotlight

A few of our Rotarians attended the Vibrant Club Workshop this Saturday, learning what it takes to build a connected, inspired, and dynamic club. We were also thrilled to bring home a few awards! We're lucky to have such incredible leaders and members who continue to help our club grow and thrive.

This Week's SNEAK PEEK

GREY BULL RESCUE

CRISIS. FRONTLINES. UNIMAGINABLE RESCUES.

Join us this Wednesday morning as we welcome Bryan Stern, Chairman & Founder of Grey Bull Rescue.

Drawing on decades of experience in special operations, crisis response, and humanitarian rescue missions around the world, Bryan shares powerful lessons on leadership, resilience, and making an impact when it matters most. You won't want to miss this!

Grey Bull Rescue is a veteran-led, donor-funded rescue organization based in Tampa, Florida, with operations in denied areas, natural disasters, and conflict zones all over the world. Their team of elite U.S. Special Operations and Intelligence Community veterans operate at the 'Speed of Need', to rescue Americans and our allies, via sea, air and land.
