

Rotary TidBits

The Rotary Foundation helps Rotary members to advance world understanding, goodwill, and peace by improving health, providing quality education, improving the environment, and alleviating poverty.

Since it was founded more than 100 years ago, the Foundation has spent more than \$4 billion on life-changing, sustainable projects.

What impact can one donation have?

- \$3 is the average cost to fully protect a child against polio.
- \$50 can maintain water filters to help fight waterborne illness.
- \$200 to develop work opportunities by replacing livestock for people impacted by disasters.

If you are interested in making an impactful difference at home and in the world, please consider the Rotary Foundation. Donations are taken year round. See link below for more information about the foundation

Discover Rotary Lunch and Learn

The Carrollwood Club had a great turn out for the lunch and learn. Pictured above are president elects and district leaders for Area 3. Left to right: PE Jamie Adair (Tampa Club), PE Cassie McSherry (Westchase), AG Mitzi Minor, PE Ashley Marvel (Carrollwood Club) and DGND Joanna Allison. This leadership group is outstanding and ready to lead us to great things!

This Week's SNEAK PEEK

Colonel Roger Young FWC Executive Director

We welcome our guest speaker Executive Director Roger Young. Roger grew up in Miami spending much of his time fishing and enjoying the outdoors. After high school he attended Florida State University receiving his degree in social science with an emphasis in environmental studies. Director Young then returned to South Florida, and it was there he realized he could do something he loved while also protecting the resources that were important to him and he applied with the Florida Marine Patrol. Director Young spent the next 28 years serving the State of Florida as a conservation law enforcement officer promoting through the ranks all the way to Colonel. In 2023, he was promoted to serve as FWC's Executive Director. Director Young is a founding member of the agency's Special Operations Group, and a graduate of the FBI National Academy, National Association of Conservation Law Enforcement Chiefs Academy, and the FDLE Senior Leadership Program.
