

Week in Review

Music Bingo

Wine down Wednesday was a top 10 hit! Music Bingo brought out our competitive spirit as Rotarians challenged each other with their music knowledge. It was an evening filled with fun, laughter, and great company!

New Life Warehouse

From staging to delivery, our Rotarians are hard at work supporting the community, helping provide comfort and support to those who need it most.

This Week's SNEAK PEEK

Christy Vogel Executive Director Sounding Joy

At the age of 11, Christy Vogel was told she was hard of hearing. Her parents could not afford hearing aids for her so she began to read lips and facial expressions. Christy was succeeding in the business world in her 20's, despite her hearing loss and it was during this time she was finally able to afford her first pair of hearing aids. It changed her world.

Cindy came to the realization that she had a passion for helping others get hearing aids. In March of 2021, she started a nonprofit, Sounding Joy, that provides hearing aids to children whose families can't afford them.

OPPORTUNITY

District 6890 is seeking a Speech Contest Chair for the upcoming Rotary year. This is a wonderful opportunity to get involved at the District level and make an impact. If you're interested, please contact Joanna Allison.

When I first joined Rotary, I thought the District Governor's Installation Gala was only for 'District' Rotarians, so I didn't register and go. I was mistaken. It is for YOU too. We ALL belong to this amazing volunteer organization with a heart for Service Above Self.

At the Gala, we will have an amazing guest speaker...my dear friend, fellow Rotarian and former boss...Grady Judd, Polk County Sheriff. So come on and register, get dressed up, come to the Gala and enjoy an evening out with Rotarians and friends alike!
