## This Week's SNEAK PEEK

Jason Lewis  
Rotary Foundation

The Rotary Foundation helps Rotary members to advance world understanding, goodwill, and peace by improving health, providing quality education, improving the environment, and alleviating poverty.

Since it was founded more than 100 years ago, the Foundation has spent more than \$4 billion on life-changing, sustainable projects.

Together, we can make an impact in your community and around the world.

## Let's Talk Business

We are a club that leads with service - but we are also a club full of great businesses, and it's time to share a light on them! Phil LaFreniere is kicking off a new business relations initiative to help us all get to know what our fellow members do and how we can support each other. Over the coming weeks Phil will be reaching out to schedule a quick 15-20 minute chat with each member about your business and your story. The goal: a Member Business Directory on our club website and a rotating spotlight at meetings, so every member gets their moment. Keep an eye out for his email - and start thinking about what you would like the club to know about your business!
